

Across

- 5. Third element in group 35
- 7. Third element in noble gases
- 8. third element group 15
- 10. Third alkali metal
- 12. First element group 13
- 14. The first element
- 15. first element group 17
- 18. first noble gas

Down

- 1. Second element group 15
- 2. Fifth element group 15
- 3. Fourth element in noble gases
- 4. Fifth alkali metal
- 6. First element group 16
- 9. First element in group 14
- 11. fourth element group 13
- 12. First Alkaline Earth metal

Across

- 21. Second element group 14
- 23. First element group 15
- 25. Fifth element group 14
- 26. third element group 13
- 28. Fourth element group 15
- 30. Second element group 16
- 32. second element group 13
- 33. second alkaline metal
- 36. Fifth Alkaline earth metal
- 37. Fourth alkali metal

Down

- 13. second element in group 17
- 16. Second element in noble gases
- 17. Fifth element group 13
- 19. Fourth alkaline Earth metal
- 20. third element group 14
- 21. third element in group 16
- 22. Fourth element in group 17
- 24. Third alkaline Earth metal
- 27. First alkali metal
- 29. Sixth alkali metal
- 31. Sixth alkaline earth metal
- 34. Second alkali metal
- 35. fourth element group 14
